Sir

In forwarding herewith the following bills for the arrears of excess water charges on the various residential quarters and the Musafarkhana attached to the Princess Krishnajammani Sanatorium Mysore outstanding since March 1925, I have the honor to state that on a representation made by the Medical Officer P K Sanatorium that the Water Supply Department has not allowed him free allowance of water as per Government Order No 5367-69/Med 68-22-2 dated 27-1-23 and has charged at a higher rate The Superintendent Vani Vilas Water Works and later on the Executive Engineer Water Supply Division to whom the question was referred to were addressed in the matter of giving a free allowance of water to the residential quarters of Assistant Surgeon and Musafarkhana Though several reminders were issued the question was not disposed of by the Executive Engineer The Medical Officer P K Sanatorium was therefore finally instructed to pass the bills for arrears of water charges at the rates prevailing in the City limits obtaining revised bills therefor and to make it clear to the Executive Engineer that this Department could not be held responsible for arrears if any due by the officers on account of the delay in disposing of their references

As the same bills are being presented after some interval without revision I request that orders of Government may kindly be issued to (1) fixing the free supply of water to be allowed in each case (2) withdrawal of the claim for arrears of water charges as it

it would be really hard to expect the officers concerned to pay for the whole water consumed at this long interval (3) to charge for excess water consumed by the officers occupying residential quarters at the rates prescribed for similar quarters within city limits (4) treating the Musafarkhana as one of the buildings attached to the Hospital, and allowing free allowance of water to the people occupying it

I have the honor to be

Sir

Your most obedient servant

S Subba Rao

Copy of letter No 1149 dated 25th August 1929 from the Medical Officer Prince Krishnarajammanni Tuberculosis Sanitorium Mysore to the Senior Surgeon in Mysore Bangalore

---

With reference to your letter No C 1864-7 dated 23rd August 1929 I have the honour to submit herewith the statement showing the amount due in respect of several buildings

In this connection I wish to inform that the meter readings of several times are not correct which fact has been brought to the notice of the water supply Department in this office No 304 dated 11-4-1929

As per Government Order no water charges are to be levied for Medical institutions within Municipal limits even thoughthe water is filtered Further there is a free allowence of 3000 gallons of water per mensem where no deduction are made here

As per Government order this Institution is included within the Municipal limits for all practical purposes and moreover the water supplied is unfiltered and as such I have the honour to request that you would kindly get the sanction of the Government for the free supply of the same
